The Arab Republic of Egypt

Århus, 29. September 2010

Dear Kareem,

Through the media I have learned that you will be released on 5. November 2010. I have therefore written the attached letter to the Egyptian ambassador to Denmark, reminding him that the government of Egypt is responsible for your well-being in prison until your release.

I will also send a copy of these letters to your friends in Egypt to let them know that you have not been forgotten.

Kind regards,

Mr. Uffe Amelung Fredens
