Att.: His Excellency Ambassador Nabil Riad Habashi

Århus, 29. September 2010

Your Excellency,

Through the media I've learned that your countryman, Mr. Abdul Kareem Nabil Suleiman, imprisoned in the Borg Al-Arab Prison in Alexandria, Egypt is to be released 5. November 2010.

I am very worried about the fate of Mr. Suleiman, and deeply concerned about his well-being in prison until his release.

I therefore urge you to contact the responsible minister of government of the Arab Republic of Egypt, reminding him to ensure that Mr. Suleiman is being treated well in prison, and is granted visits from his lawyers until he is safely released 5. November when his term is completed.

Yours truly,

Mr. Uffe Amelung Fredens
